TKE Regional Leadership Conference University Funding Fact Sheet

ABOUT

The Regional Leadership Conference is a weekend-long program with the purpose of educating TKE chapter/colony leaders. Conferences are hosted in the South, Midwest, Northeast and West with the goal of giving every group in TKE Nation an opportunity to attend an RLC within driving distance of their campus.

Educational topics range from recruitment to finance to chapter operations to professional success and development ensuring every attendee can select the breakouts that he feels will make him a better Teke and a better man. Participants hear from TKE's top VIPs and meet with TKE staff and volunteers along with peer to peer learning where members are given the opportunity to network and share best practices on their campus.
